Let's Play...

THE KING NIKOCHAN GAME

① First, stand facing your partner.

② Play rock-scissors-paper to decide who will be king and who will be the servant.

③ The king calls out "belly!" or "eyes!" or what have you.
(As in the above illustration, when the king yells out "belly!"
the servant must put both hands on his or her forehead.)

④ If the servant gets it right, he or she gets to be king, and the game goes on.

⑤ In other words, you have to keep going, even if you make a mistake. How ruthless!
(Gotta problem with that?)

☆ The winner gets to draw a giant poop on the loser's back.
